PDF SETTINGS

Colour profile: PSO Coated v3

All ads must be sent as **High Res Pass4Press PDFs (Acrobat 1.3)**. Colour required is CMYK. Ink Density must not exceed 300%. Ads supplied in a different format will be subject to a £50 processing fee.

Proof

A digital proof is required for an accurate colour match on press, which must be sent to Harrods Magazine prior to final deadline. If a suitable proof is not provided, Harrods Magazine cannot be held responsible for the colour reproduction of your advertisement on press.

IMPORTANT REQUIREMENTS FOR AD CONTENT

If your advert mentions the floor within Harrods where your products are sold, the wording will need to be as per these examples - 'Third Floor' (capital initials) or 'THIRD FLOOR' (all capitals) - not 'third floor' (all lower case).

Please also ensure that any departments mentioned are named exactly as per the Store Guide, for example, 'Toy Kingdom'. A correct example for the location and floor would be 'Toy Kingdom, Third Floor'. A comma should be used to separate the location and floor.

If a product is exclusive to Harrods, this should be highlighted. The wording needs to be as per the following examples: 'Exclusively at Harrods, Toy Kingdom, Third Floor' or 'Exclusively at Harrods from xxx to xxx, Toy Kingdom, Third Floor'.

If you are unclear as to the department name, please contact your relevant Media Manager, who will be able to clarify.

Only Harrods telephone numbers can be included on your advert and should be written in the following format '020 7730 1234' or '020 7730 1234 ext. 1234' and without any wording such as 'telephone' or 'please call' included. This should appear on the next line down to the department name. Please see the below example.

Toy Kingdom, Third Floor
020 7730 1234

BACK COVER ADVERTS SHOULD NOT CONTAIN ANY LOCATION OR CONTACT DETAILS.

UPLOAD MEDIA

1. Go to <http://www.harrods-media.com/client>
2. Select 'Publishing' in the Media Type drop down menu.
3. Enter in your details and then click 'Add File'
