Proof

A digital proof is required for an accurate colour match on press, which must be sent to Harrods Magazine prior to final deadline. If a suitable proof is not provided, Harrods Magazine cannot be held responsible for the colour reproduction of your advertisement on press.

IMPORTANT REQUIREMENTS FOR AD CONTENT

If your advert mentions the floor within Harrods where your products are sold, the wording will need to be as per these examples - 'Second Floor' (capital initials) or 'SECOND FLOOR' (all capitals) - not 'second floor' (all lower case).

Please also ensure that any departments mentioned are named exactly as per the Store Guide, for example, 'Luxury Dining'. A correct example for the location and floor would be 'The Fine Watch Room, Ground Floor'. A comma should be used to separate the location and floor:

If a product is exclusive to Harrods, this should be highlighted. The wording needs to be as per the following examples: 'Exclusively at Harrods, The Fine Watch Room, Ground Floor' or 'Exclusively at Harrods from xxx to xxx, The Fine Watch Room, Ground Floor'.

If you are unclear as to the department name, please contact your relevant Media Manager, who will be able to clarify.

Only Harrods telephone numbers can be included on your advert and should be written in the following format '020 7225 5908' or '020 7225 5908 ext. 5908' and without any wording such as 'telephone' or 'please call' included. This should appear on the next line down to the department name. Please see the below example.

The Fine Watch Room, Ground Floor
020 7225 5908

BACK COVER ADVERTS SHOULD NOT CONTAIN ANY LOCATION OR CONTACT DETAILS.
